Table Tennis delivers Peace

Foreword:

The last two years in 2014/15, the theme of the tournament was "TT Delivers Peace". The theme was correct as the importance of Peace obviously increased recently. The terrorist attacks to civil people in Paris/ Ankara and the ongoing war in Syria/ Iraq are growing the risk. The Syrian refugees are having tragic life in the borders to immigrate to European countries. These all show us clearly that the people should stick PEACE more than ever!

The Veteran Table Tennis Players have not the power to stop all these. However we -the veteran societies- as a community could speak up for PEACE in every possible occasion. Please come up to Antalya with the ideas and emotions on how we could add value for PEACE. Let us make ourselves to be heard/seen by the Politicians.

Registration:

In order to secure a smooth organization for the comfort of all the guests, we need to be aware of the entries and avoid last minute surprise entries.

Therefore, we kindly ask all our guests to inform us earlier about their intention. To encourage early registration we give better rates to the guests who register earlier. They will have better rates in the hotel and the tournament entry fees.
